

Hi Everyone

A reminder that the meeting on 7th April (Thursday) will be at 7.00pm (and finish at 9.00pm) in the Council Chamber of the Town Hall.

Attached are the Two updated objectives I have received for Open Spaces & Rural Themes.

Remember, we need the equivalent from all Themes so I can give to a consultant (together with the questionnaire evidence base).

Hopefully the consultant can then whip these into shape together with suggested policies.

Mick – would you have a chance to go through the Historic Theme objectives I sent you? Thanks

The Agenda will be basically working through each Theme with the updates.
