| 107 | all of them. |
| 108 | All of them. We live in a beautiful part of the country and need to encourage more people to come and enjoy it. |
| 109 | all of them. Don't ruin Shaftesbury, its a lovely town and an honour to live here, don't destroy it. |
| 110 | all of them. once they have been destroyed they will never come back |
| 111 | All of them. What is 'The Neighbourhood Plan'? |
| 112 | All of them; as one of the highest towns in England, we have a duty to protect the views of the Blackmore Vale etc. |
| 113 | All of them In surround countryside also. Don't 'develop' |
| 114 | All of these that are currently accessible. |
| 115 | All of those across Park Walk & Castle Hill |
| 116 | All open land and views need to be protected, is that not obvious? |
| 117 | all our views in Melbury Abbas |
| 118 | All outstanding views - this is a spectacular area |
| 119 | All park walk and other side. It's perfect the way it is. |
| 120 | All Shaftesbury's views need protecting, but there are too many non-native (talking fairly short term nature) trees - cypress etc which spoil views & could be replaced by less oppressive ????? trees |
| 121 | All slopes around town |
| 122 | All surrounding areas: sight lines from and to Shaftesbury all 'wilderness' areas, eg old castle. This hill-top town MUST be free from further development. |
| 123 | All surrounding Shaftesbury |

| 151 | All views from our hilltop Town in all directions. It's why we moved here 25years ago. |
| 152 | All views from Park Walk and Castle Hill and from the back of St Rumbolds church. The overview across Shaftesbury looking from Zig Zag Hill has grown so best not to extend this. |
| 153 | All views from the top that exist now |
| 154 | All views from this beautiful hilltop town |
| 155 | All views from this hill top town must be considered important |
| 156 | All views in Shaftesbury. |
| 157 | All views in this area of outstanding natural beauty - view from Shaftesbury and surrounding hills |
| 158 | all views need protecting as it is one of the few hill top town in England and quite unique. |
| 159 | All views need protection |
| 160 | all views of Melbury Beacon and from Park Walk |
| 161 | All views of open land seen from the town. |
| 162 | All views of this nature need protecting |
| 163 | All views south of the A30 and the south of the town going west |
| 164 | All views that are currently around Shaftesbury. (Eg. Park Walk, Castle Hill) |
| 165 | All views up towards shaftesbury for example Motcombe, Cann. |
| 166 | ALL VIEWS WE LIVE ON A HILL WANT TO SEE GREENSCAPE NOT ESTATES |
| 167 | all views! many have now been blocked by the new housing. |
| 168 | All views. Shaftesbury has the most beautiful and unique location. I often go into shops like The Toy Box and the Dorset Store just to get a peak of the view of the south side of the town. The Mitre did very well to develop its terraces to give people access to the view. All opportunities to share views need to be taken. |
| 169 | All vistas from Park Walk and towards Gillingham from park. |
| 170 | All! |
| 171 | ALL! |
| 172 | all! |
| 173 | All! The whole point of living in Shaftesbury is the feeling of space, our views are key to this. |

| 175 | ALL. |
| 176 | All. |
| 177 | All. |
| 178 | All. |
| 179 | All. It would be great if existing foot-path behind Doctors' Surgery could have views (ie low hedge needed) across to St James'. |
| 180 | Any and all views should be seriously considered in the context of future planning, but you can't have everything and some views or open spaces may need to be sacrificed in order to develop. |
| 181 | Any in or around the town. |
| 182 | Any pastoral scenery - especially AONB. |
| 183 | Any that are left untainted by new housing. |
| 184 | Any views from park walk and castle hill, across Blackmore Vale and to the hills south and east |
| 185 | Any views over the Vales. |
| 186 | Any views overlooking the blackmore vale |
| 187 | Any views that are still remaining need protecting |
| 188 | AONB at Littledown |
| 189 | As a Saxon hilltop town, the views ALL around in ALL directions are outstanding and this is a unique feature of the town, which must be preserved at all costs - be it north, south, east or west. It is a huge tourist selling point |
| 190 | As a tourist destination - and a good place to live - all the views need protecting. |
| 191 | As above |
| 192 | As above EFFICIENT CARE rather than enhancement i.e Castle Hill slopes is a designated local nature reserve |
| 193 | As per 28a. Tree capped tunnels out of shaftesbury eg. Dinahs Hollow and hill down to guys marsh which has lost many beech trees! Also area seen from Gold Hill behind the house which already contains unattractive agricultural buildings. |
| 194 | As Shaftesbury is a hill top town - all of them. |
| 195 | The approach from the east is already ruined by the insensitive new development. |
| 196 | Below and castle hill. |
| 197 | blackmore vale from park walk |
| 198 | views from castle hill |
| 199 | Blackmore Vale |

| 205 | Blackmore Vale/Spreadeagle from Park Walk/St James view from Castle Hill |
| 206 | BMV, Castle Hill |
| 207 | Both across the vale and out from Castle Hill! People travel the world to see such sights. They are magic. Any introduction of human mess be it bins, rubbish, plastic, metal et al can destroy it! also managing the plant growth to keep the views. |
| 208 | Both northern and southern aspects of town from Park Walk and Castle Hill |
| 209 | Both sides of the Abbey out over the Blackmore Vale and over towards Gillingham. |
| 210 | Both sides of the hill |
| 211 | all surrounding areas |
| 212 | boyne mead |
| 213 | Breach Common is a unique and special place - allowed to deteriorate, It could provide an excellent low cost project to be cleared and tidied by young people. |

| Q29a Which views need protecting | |
|----------------------------------|---|
| 470 | See above - but all of them. What's the point of a hill town in the middle of ugliness? |
| 471 | see q28a -a30 view to compton abbas airfield |
| 472 | See Q28a above |
| 473 | Shaftesbury is a hilltop town with amazing views all of which must be protected |
| 474 | Shaftesbury is noted, not only for Gold Hill but for its panoramic views which must not be obstructed in any way. |
| 475 | South/West from Park Walk; Castle Hill Green |
| 476 | That from Park Walk. |
| 477 | The Abbey View walk. |
| 478 | The area is an AONB and therefore all views need protecting. The area relies heavily on tourism and it is the view/aspect that bring people into the area. |
| 479 | THE CLASSIC VIEWS TOWARDS DUNCLIFFE VIEWS FROM ABBEY WALK VIEWS FROM CASTL HILL |
| 480 | The Horseshoe area from Park Walk, around to the Wilderness (above French Mill Lane, entrance on Hawkesdene) Castle Hill. |
| 481 | The local pastoral scenery especially those areas of outstanding Natural Beauty. |
| 482 | The one below! |
| 483 | The one shown by this question in the questionnaire - over St James from Abbey Walk |
| 484 | the ones across the blackmore vale and south towards cranborne chase |
| 485 | The ones from Park Walk and Castle Hill Green |
| 486 | The Park Walk views and the Castle Hill views are among the finest in Shaftesbury. They need protection. |
| 487 | The path through the trinity church and was originally called lime lane. But it has been spoilt by planting other trees that are not lime. it has been ruined. |
| 488 | The Shaftesbury skyline |
| 489 | The traditional tourist appreciate ones ie south to north west. |
| 490 | The trees used should be one interesting specimen not a woodland of Ash and Sycamore use Acer and Liquid Amber so we have lovely autumn colour to attract visitors - and the tulip trees. |
| 491 | THE VIEW BELOW (referring to picture of Park Walk) AND CASTLE HILL |
| 492 | The view from Park Walk |
| 493 | The view from Park Walk across the Vale. The view from Castle Hill & Castle Hill gardens The view from 'The Wilderness' The view from St James church & the footpath from Foyle Hill |
| 494 | The View from Park Walk and Castle Hill. |
| 495 | The view from park walk has a lot of large shrubs and trees which are beginning to obscure distant views - they need to be reduced or removed. |
| 496 | The view from Park Walk. The trees need to be cut down on the slopes down st St James Street. With only a few nature trees dotted around and the grass cut and kept for pleasure. Sort out the paths down to the Two Brewers and cut back the awful scrub and tatty broken paths and railings need attention. These people sat in the picture only have a view in the winter when the trees are bare!!! |
| 497 | The view from the Park Walk and Gold Hill areas are famous and should be maintained |
| 498 | The view of Shaftesbury from Win Green, all you can see is a hugh precinct spreading. We'll end up looking like Swindon. |
| 499 | The view of the Blackmore Vale from Park Walk |
| 500 | The view that shows Shaftesbury as it is today, less houses, to the south east has spoiled the view of what was such a great town. Try not to let it get any worse. Look from Win Green, Shaftesbury looks like a military training village. Horrible - new houses has spoilt it. |
| 501 | the view toward win green. melbury. bulbarrow |
| 502 | The views around shaftesbury should be protected ie: castle hill and park walk. |

| 575 | Views from Park Walk and Castle Hill - so development within view (e.g. French Mill Lane) should be better controlled than it has been in the past. |
| 576 | Views from Park Walk and Castle Hill. |
| 577 | Views from Park Walk and Castle Hill. |
| 578 | Views from Park Walk and Gold Hill. |
| 579 | Views from Park Walk are being blocked by trees growing just below on the slopes. These need to be cut to preserve one of Shaftesbury's finest features. |
| 580 | Views from Park walk now obstructed by trees planted a number of years ago - need to be removed to preserve views |
| 581 | Views from Park Walk, views from Castle Hill. |
| 582 | Views from Park Walk. |

| 589 | Views to North, South and West |
| 590 | Views to the north, west and south of Shaftesbury - they are stunning, special and irreplaceable |
| 591 | Visitors come to Shaftesbury to enjoy the views so why spoil one of our most valuable assets |
| 592 | Wall on Gold Hill - protection from invasive plants (eg Valerian) which root in cracks and weaken the mortar |
| 593 | What does this mean? The view in the picture below could only be spoiled by a sky scraper built in St James St or cutting all the trees & concreting the lot |
| 594 | Which views need protecting - creating: The views from Park Walk, Castle Hill/Green, Gold Hill, Hawksdene, wilderness? Open up access to the 'shrubby' space on the west of the top corner of St John's Hill (i.e. opposite the end of Love Lane((on the site of old St John's Church). Suggest a pedestrian footbridge over the road to create a view to the West, and to complete a full circular walk along Park Walk to the west, then connecting with Castle Hill Green. |
| 595 | Win Green & Melbury Down View from Park Walk & the valley between. |
| 596 | Woodland |
| 597 | Yes, all need protecting. But again, I do not think they need enhancing (whatever that means)..... don't meddle where it isn't needed. |
| 598 | you first need to define what you mean by protecting and then hat parts fall into the town's ownership - to the north it is Wiltshire - so where is the part of this plan to work with others? |
